<b>Suggested List Price</b>	\$255	\$335	\$435	\$665

#### 1. Long Document Mode

This feature enables you to scan long documents up to 34" in length.

#### 2. iX500 Operating System Support

The iX500 provides full support of Windows and Mac scanning over a USB or Wi-Fi connection. PC-less scanner over Wi-Fi is supported on most iOS and Android devices. Please note: not all scanning features are supported on iOS and Android.

#### 3. Deluxe versions available

Rack2-Filer and Rack2-Filer Smart software provide the look and feel of paper in an electronic environment.

#### 4. Ultra-sonic Double Feed Detection

Ultra-sonic double feed detection is the most advanced method of detecting double feeds. It works reliably even when scanning pages of different sizes, thicknesses and colours.
