Suggested List Price	\$255	\$335	\$435	\$665

1. Long Document Mode

This feature enables you to scan long documents up to 34" in length.

2. iX500 Operating System Support

The iX500 provides full support of Windows and Mac scanning over a USB or Wi-Fi connection. PC-less scanner over Wi-Fi is supported on most iOS and Android devices. Please note: not all scanning features are supported on iOS and Android.

3. Deluxe versions available

Rack2-File and Rack2-File Smart software provide the look and feel of paper in an electronic environment.

4. Ultra-sonic Double Feed Detection

Ultra-sonic double feed detection is the most advanced method of detecting double feeds. It works reliably even when scanning pages of different sizes, thicknesses and colours.
