

LifeBook E8410

Optional Accessories

Port Replicator
Unique wedge design provides easy, one-step connection and removal of your LifeBook. When connected, it links all your peripherals to your LifeBook.

Modular Bay Battery
Searching for power sources when you're outdoors can be a hassle. Extend your LifeBook's operating hours with a modular battery pack.

Optical USB Black Mouse (Retractable)
Optical tracking technology offers convenient usage.

Weight Saver
Reduces the weight of your LifeBook whenever the optical drive is not required.

Battery
A second battery pack comes in handy when travelling for extended periods.

Dual Layer DVD Super Multi Writer
Dual-layer DVD-R technology lets you record almost twice the amount of data on a single disc surface. Compatible with CD-R, CD-RW, DVD-R, DVD-RW and DVD-RAM.
