

THE POSSIBILITIES ARE INFINITE **FUJITSU**

## LifeBook U2010

OPTIONAL ACCESSORIES

### External Slimline USB Super Multi DVD Writer

The External Slimline USB Super Multi Writer is ideal for those of you who require to read and record data occasionally.

### Port Replicator

Unique wedge design provides easy, one-step connection and removal of your LifeBook. When connected, it links all your peripherals to your LifeBook.

### Battery

A second battery pack comes in handy when travelling for extended periods.

### AC Adapter

An additional adapter at home, office and in the briefcase makes traveling a lot simpler.

Optical USB Black Mouse (Retractable)
