

How to get to the Fujitsu Luxembourg Office

- From Belgium (A6) take exit "Luxembourg-Ville Sud" (right after passing the exit to France) and then follow direction "Gasperich" (three times to the right).
- From Germany (A6), after the Tunnel, take second exit "Luxembourg-Ville Sud" and then the next 2* right in direction "Gasperich".
- From France (A3), follow "Luxembourg-Ville Sud" and then take exit to "Gasperich" (before the roundabout).

Then, on the road to Gasperich (Rue Raiffeisen), you'll see the "RENAULT" garage on your left: turn to the left just before the garage, into the "Zone d'activité Cloche d'Or" (rue Robert Stumper). Turn right on the next corner and go uphill (rue Jean Piret): the Fujitsu office is on no. 3, to your right, in the yellow "Giorgetti" building, ground floor.
