1. **Initial screening:** Initial screening is based on the strength of the application documents, which includes meeting the admission and scholarship qualifications.
2. **Interview:** Applicants who pass the initial screening will be contacted for an interview on a designated date in April or May 2008. Applicants should be residing in their respective countries of citizenship at the time of their interview.
3. **Selection of recipients:**
 - a. Final selection will be determined by Fujitsu Limited.
 - b. Selection is based on English proficiency (for non-native speakers of English), work experience, motivation, and goals as expressed in the essay and interview, academic performance, and test scores. A key factor is the individual's commitment to contributing to the mutual understanding and cooperation between countries and to the development of his/her home country.
