Additional Information for Graphic Controller Jasmine

In order to safely differentiate the leaded and the lead free version of the Graphic Controller Jasmine two specific part numbers have been implemented.

Leaded version

Part number MB87P2020A

Lead free version

Part number MB87P2040PMT-G-BND-DLE1

As a matter of fact the two devices MB87P2020A and MB872040PMT-G-BND-DLE1 are the same in pinning, functionality and electrical specifications.
