I saw PaperStream Capture Pro advertised on the website. What is it?

PaperStream Capture Pro is a simple, easy to use, front-end capture software that efficiently automates documents by offering seamless, high-quality capture, image enhancement and organized, indexed and extracted data for release.

What are the capabilities?

PaperStream Capture Pro helps streamline your capture process with features such as document separation, enhanced image processing, data extraction, indexing and validation, along with automated and manual QC. It releases the images and data into a back-end connector of choice.

Frequently Asked Questions

What is new about PaperStream Capture Pro compared to PaperStream Capture?

There are several enhancements with PaperStream Capture Pro compared to PaperStream Capture. These include:

1. Captures paper batches or import from file
2. Page separation includes Zonal OCR
3. PaperStream IP is applied to images during scanning, during import and after scan
4. Extracts and indexes using more advanced methods including OCR, Key From Image, Database lookup and system data
5. Data QC and validation module is available

I already use PaperStream Capture. How can I upgrade to Capture Pro?

Once a customer downloads PaperStream Capture Pro, the software will override any previous version of PaperStream Capture that is on the customer's desktop.

Can I try out PaperStream Capture Pro?

Yes. For a free evaluation, please contact a Sales Representative at 844-336-9668 or visit <https://www.paperstream.com/eval/>.

What is a Trial or Evaluation license and how is it different?

You may have registered for a Trial or Evaluation of PaperStream Capture Pro. This means you have up to 200 batches or 30 days to try out the software. Once the Trial license expires, your documents will be stamped as "demo". To obtain a fully functioning license, please go to <http://store.fcpa.fujitsu.com/paperstream/>.

How can I buy PaperStream Capture Pro?

There are a couple of purchasing options. Please contact a Sales Representative at

844-336-9668 to learn more.

The software is also available to purchase in the [Deluxe Bundle package](#) that includes (1) software license, (1) Fujitsu fi-7160 workgroup scanner, and (1) year of maintenance service.

May I purchase directly?

Yes, the PaperStream Capture Pro software is available to purchase directly from the Fujitsu [online store](#). The software license includes 1 year mandatory maintenance service with the option to add additional years of maintenance.

May I purchase the software separately from the scanner?

Yes, PaperStream Capture Pro is available to purchase directly from the Fujitsu [online store](#). The software license includes 1 year mandatory maintenance service with the option to add additional years of maintenance.

What license types are available?

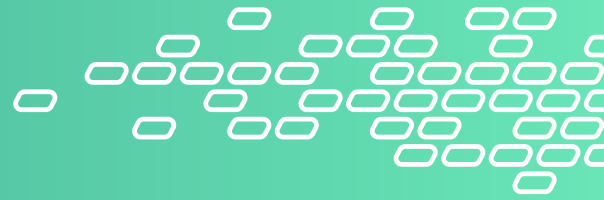

There are 3 types of licenses:

1. Scan License: This is a single license, based on your scanner type, which includes scan, QC, and index capability for 1 work station
2. QC / Index License: This is for additional work stations and includes QC and validation capabilities*
3. Import License: This license allows for importing of digital files*

*QC and Import licenses require a Scan license as part of their configuration

Is there a volume license?

PaperStream Capture Pro is not volume based, but to inquire about a site license, please contact a Sales Representative at 844-336-9668.

How many stations can I use?

PaperStream Capture Pro is designed for distributed installations. Multiple stations can be configured. A Scan license type is required for each station.

Do I need to prepare a Server to use multiple stations?

No, you do not.

Do I need to buy a maintenance agreement with PaperStream Capture Pro?

All Scan license SKUs include a 1 year mandatory maintenance agreement. However, once the year has expired, you will need to purchase additional years.

What do I get with a maintenance agreement?

Maintenance Agreements are available in 1, 2 or 3 year contracts and include technical support, software updates and version upgrades.

Do I need to update my maintenance agreement every year?

Upon the end of your mandatory 1 year maintenance agreement, you will need to purchase additional years. To inquire about additional year agreements, please contact a Sales Representative at 844-336-9668.
