

ScanSnap fi-6010N iScanner Color Duplex Network Scanner

Ease of use, customized job menus, simple deployment and device management scanner to assist with improving business processes

- Useful business functions including Scan to E-mail, Scan to folder, Scan to Network Fax, Scan to FTP and Scan to Network Print
- Intelligent scanning features include improved image quality, page rotation to proper orientation and other user-friendly functions
- Enhanced “Job Function” enables administrators to create predefined sequences to perform and lock-down profiles
- Lower total cost of ownership with simplified device management via the Central Administration Console
- Enhance regulatory compliance and improve data security using strengthened data transmission protocols
- Custom application development available in the optional Software Developer’s Kit (SDK)
- Enhance productivity with Fujitsu service and support

ScanSnap fi-6010N iScanner

Color Duplex Network Scanner

ScanSnap iScanner

Ease of use

- Office linking functionality includes Scan to E-mail, Scan to Folder, Scan to Network Fax, Scan to FTP and Scan to Print
- Advanced imaging functions performed automatically: Rotation, Blank Page Deletion, Color Detection, Deskew, Page Size Detection
- Enhanced "Job button" functionality allows buttons to be programmed with predetermined scan settings, functionality to be performed and destinations to send images
- Large 8.4" XGA touch screen enables users to view scanned images and enter any information with a full US 101 keyboard

Customization

- Save time: Programmable buttons to perform routine tasks
- Customize: Configure jobs for particular departments or vertical applications
- Control: Limit access to scanner features or to particular functionality
- User experience: Job Menu screens are unique to individual login credentials

Simplified device management

- Control all devices on a LAN or WAN via one administration console
- Push updates to remote scanners to keep devices updated
- Track consumable counts to maintain optimal performance

Development and customization (SDK option)

Software Developer Kit (SDK) option available to provide third-party connectivity or create customized look and feel

Technical Specifications	
Model	ScanSnap fi-6010N iScanner
Technology	Dual Color Charge coupled device (CCD) image sensors
Resolution	150, 200, 300, 600 dpi
Color	24-bit single pass color; auto color detection
Scanning Speed	Color: Simplex: 25ppm (200dpi), Duplex: 50ipm (200dpi) Monochrome
Scanning mode	Color, monochrome, grayscale, auto color detection
Image adjustments	Brightness, contrast, dropout color, sharpness, background removal
Document feeding mode	Automatic document feeder (ADF)
ADF capacity	50 Sheets (letter/A4, 20 lb.)
Document size	ADF minimum (A8) (2.1 in. x 2.9 in.) ADF maximum (Legal) (8.5 in. x 14 in.)
Network protocols	TCP/IP DHCP, SMTP, SMB, LDAP, openLDAP, NTP, FTP and HTTP
Network server authentication	Windows 2000, 2003, 2008 Server or OpenLDAP
Central Admin Server	Windows 2000, 2003, 2008 Server required
Output methods	TIFF, MTIFF, JPEG, PDF, searchable PDF's (English)
Interface	One network connection RJ45 10/100 base T
Software driver support	All software loaded on system (embedded)
Physical Specifications	
Power requirements	100 – 240 VAC, 50/60 Hz
Power consumption	88 W or less; Energy saving mode: 10 W or less
Operating environment	Temperature 42° to 95° F (5° to 35° C) Relative humidity 20% to 80% (non-condensing)
Dimensions (WxDxH)	12.4 in. (W) x 16.3 in. (D) x 11.1 in. (H)
Weight	28.7 lbs. / 13 KG
Environmental compatibility	RoHS
Automatic image processing	Auto deskew, auto orientation, auto page size detection and blank page detection, color detection
Security	LDAP, LDAPS, FTPS, HTTPS, HDD encryption, no external USB
Touch panel	Screen size 8.4 in. XGA (1024 x 768 pixel) TFT color monitor Type Analog resistive touch display
Keyboard	US 101 keyboard
Limited Warranty	90-day Limited Warranty; Advance Exchange, Basic, and ScanCare programs also available; Restrictions apply. For full details, visit www.ImagingService.com or call (800) 626-4686.
Service options	Post-Warranty—Advance Exchange Plus, Basic Plus, and ScanCare™ Plus; restrictions apply. Consumables—ScanAid™ kits. For full details, visit www.ImagingService.com or call (800) 626-4686.
Inbox Contents	Network cable and power adapter
Functionality	Scan to folder/network, fax/print/ftp and email, scan to SharePoint ¹ , Central administration server
Features	Ultrasonic double feed detection, hard and embossed card scanning capability, long document scanning and searchable and password protected PDF
Part Number	fi-6010N PA03544-B205 ScanAid CG01000-524301
SDK Support	Net 3.5 framework

1 Limited version support.

About Fujitsu Computer Products of America, Inc.

Fujitsu Computer Products of America, Inc., a subsidiary of Fujitsu Ltd., is an established leader in the Document Imaging industry, delivering innovative scanning solutions and services that enable our customers to solve critical business productivity issues and streamline operations. We provide cutting-edge document capture and workflow solutions for business and personal environments, backed by a comprehensive portfolio of service and support programs.
