Fast, flexible, reliable scanning for departments and workgroups.

M4097D
Low-Volume Production Duplex Document Scanner

Get the best of both worlds: flatbed versatility and automatic document feeder convenience.

- High-speed grayscale and monochrome scanning (50 ppm, simplex; 90 ipm, duplex)

- Dual charge coupled device (CCD) scanning array obtains high-quality images from both sides in a single pass

- Flexible paper-handling with 100-page automatic document feeder and flatbed capabilities

- Includes Adobe® Acrobat® 6.0 and ScandAll 21 software, as well as onboard image processing

- Enhance productivity with Fujitsu service and support

M4097D
Low-Volume Production Duplex Document Scanner

Impressive performance and capabilities boost productivity.

With up to 90-ipm throughput (duplex), the M4097D Low-Volume Production Duplex Document Scanner easily satisfies the needs of many organizations looking to incorporate the benefits of image capture. Its maximum resolution of 800 dpi (400 dpi, optical), standard image processing (upgradable with Fujitsu ScanRight™ IPC or VirtualReScan™) and 1,024-level internal grayscale deliver superior images.

Flexible paper-handling complements the high speed and image quality of the M4097D scanner. Its 100-page automatic document feeder supports sizes ranging from 2.1" by 2.9" to 11.7" by 17", features infrared double-feed detection to ensure batch integrity, can be continuously fed for greater efficiency and detects document length in mixed-size batches. What's more, it offers the versatility of flatbed operation to accommodate irregular documents and features 32 MB of memory, which enables the M4097D to scan documents up to 81" in length (400 dpi, duplex, monochrome).

Help maximize uptime with Fujitsu service

The M4097D scanner includes a 90-day, on-site, Limited Warranty. A free, nine-month depot service upgrade is also available (some restrictions apply). For full details on the Limited Warranty and on all service programs, go to www.ImagingService.com or call (800) 301-9475.
