1. Long Document Mode
This feature enables you to scan long documents up to 34" in length.

2. iX500 Operating System Support
The iX500 provides full support of Windows and Mac scanning over a USB or Wi-Fi connection.
PC-less scanning over Wi-Fi is supported on most iOS v6.x and Android v5.x and v4.x devices.
Please note: not all scanning features are supported on iOS and Android.
* Available with free downloadable upgrade

3. Deluxe versions available
Rack2-Filer and Rack2-Filer Smart software provide the look and feel of paper in an electronic environment.

4. Ultra-sonic Double Feed Detection
Ultra-sonic double feed detection is the most advanced method of detecting double feeds. It works reliably even when scanning pages of different sizes, thicknesses and colours.
