1. **Long Document Mode**
   This feature enables you to scan long documents up to 34" in length.

2. **Operating System Support**
   The iX1500 provides full support of Windows and Mac scanning over a USB or Wi-Fi connection.
   PC-less scanner over Wi-Fi is supported on most iOS and Android devices.
   Please note: not all scanning features are supported on iOS and Android.

3. **Ultra-sonic Double Feed Detection**
   Ultra-sonic double feed detection is the most advanced method of detecting double feeds. It works reliably even when scanning pages of different sizes, thicknesses and colours.
