

A complete solution for workgroup color, grayscale, and monochrome imaging.

ScanPartner® 15C

Workgroup Color Document Scanner

Versatility, reliability, and performance all rolled into one

- ▶ Fast, 15-ppm scan rate (200 dpi, monochrome, letter-size)
- ▶ Built-in, 50-page automatic document feeder (ADF)
- ▶ Flatbed scanning accommodates irregular and fragile documents
- ▶ Includes PCI SCSI card, cable, ScanRight™ Imaging Kit with TWAIN and ISIS® drivers, and ScandAll 2001 scanning utility
- ▶ Enhance productivity with Fujitsu service and support

FUJITSU

THE POSSIBILITIES ARE INFINITE

ScanPartner® 15C

Workgroup Color Document Scanner

ScanPartner 15C Workgroup Scanner Specifications

Add the benefits of imaging without the hassles of configuration.

The Fujitsu ScanPartner 15C scanning solution includes everything a workgroup needs to convert paper documents to electronic form: a fast, flexible scanner, a PCI SCSI card and cable for PC connectivity, the ScanRight Imaging Kit—a collection of advanced tools that simplify installing, using, and maintaining Fujitsu scanners, and the easy-to-use ScandAll 2001 TWAIN scanning utility.

The ScanPartner 15C scanner also offers versatility found on more expensive scanners, yet is affordably priced. It features a productivity-enhancing, 50-page automatic document feeder (ADF) that allows users to scan batches of documents at a time, in sizes up to 8.5" by 14", as well as a flatbed for scanning three-dimensional objects, and irregular and fragile documents. Scan rates of up to 15 ppm (200 dpi, monochrome, letter-size) also help users to be more productive. And with 300-by-600-dpi resolution and a choice of color, monochrome, and 256-level grayscale, users can capture the fine details and subtle shades within each document.

Advance Exchange maximizes uptime.

The ScanPartner 15C is covered by a one-year Limited Warranty. An upgrade to the Advance Exchange program is also available to eligible purchasers. For full details on the Limited Warranty and on all service programs, go to www.ImagingService.com or call (800) 301-9475.

About Fujitsu Computer Products of America, Inc.

Fujitsu Computer Products of America, Inc. is a wholly owned subsidiary of Fujitsu Limited, a leading provider of customer-focused IT and communications solutions for the global marketplace. FCPA provides innovative solutions for the U.S. marketplace. Current product and service offerings include: high performance hard disk drives, magneto-optical drives, scanners and scanner maintenance.

Functional Specifications		
Technology	Charge coupled device (CCD) image sensor	
Resolution (dpi)	300 x 600	
Grayscale	256 levels	
Color	30-bit internal single pass color	
Scanning speed	15 ppm (@200 dpi, monochrome, letter size)	
Scanning mode	Simplex	
Document feeding mode	Flatbed and built-in automatic document feeder (ADF)	
ADF capacity	50 pages	
Document size	ADF minimum	5 in. x 3 in.
	ADF maximum	8.5 in. x 14 in. (Legal)
	Flatbed maximum	8.5 in. x 11.7 in.
Interface	SCSI-2 (SCSI card and cable included)	
Physical Specifications		
Light source	Cold cathode fluorescent lamp	
EMI	FCC Class B, Doc Class B (Canada)	
Power consumption	25 watts	
Power requirements	100 – 240 Vac, 47 – 63 Hz	
Operating environment	Temperature	50°F – 104°F (10°C – 40°C)
	Relative humidity	20% – 80% (non-condensing)
Dimensions (HxWxD)	6.5 in. x 22.4 in. x 13.8 in. (165 x 570 x 350 mm)	
Weight	26.5 lbs (12 kg)	
Reliability Specifications		
Duty Cycle	Up to 750 pages per day	
Limited Warranty	One year. Advance Exchange Program also available; restrictions apply. For full details, visit www.ImagingService.com or call (800) 301-9475.	
Service Options	Post-Warranty Advance Exchange Plus; restrictions apply. For full details, visit www.ImagingService.com or call (800) 301-9475.	
Software Driver	ISIS® and TWAIN drivers for Win98/2000/NT/XP	
Bundled Software	ScandAll 2001 TWAIN application
