## Fujitsu Car Camera MD6

### Camera Series

### Accessories

#### Records “life happens moments”

---

Fujitsu car camera MD6 compact full HD 1080p camcorder, with a wide-angle lens. It records the events and incidents on road to give you video history on what exactly happened and when. The included car charger and mounting bracket make allow you to set-up the car camera easily in your vehicles.

#### Full HD 1080p video recording

- Records video in full 1080P high definition so your important moment will never be missed in clear details.

#### Image deletion

- When the SD Card is full, it will start re-writing such that the oldest recorded data is deleted first. (FIFO basis)

#### Built-in G-sensor and Motion detector

- Motion detection feature provides good security as it start recoding if motion is detected.

#### Bundled with car charger and mounting bracket

- The easy-on/off mounting bracket makes your car camera installation easy and quick.
