LifeBook P3110/P3010

Illuminate in style

Sleek design will always be in vogue. Light weight, accentuated curves and with 3 eye-catching colours*, the LifeBook P3110/P3010 is fitted with a full-size keyboard as well. But that's not all. Equipped with the Windows® 7 operating system, it will definitely lift brows and turn heads everywhere.

** Availability of colours varies from country to country.*

Technology in Style
Sleek, stylish design and a full-size keyboard in 3 desirable colours* – Ruby Red, Glossy Black and Glossy Silver to reflect your individuality. The glossy finishing, chromed infinity logo and seductive silver outline is guaranteed to cause envy and admiration.
** Availability of colours varies from country to country*

Light as a Feather
With a lightweight chassis of 1.6kg, the P3110/P3010 measures just slightly over an inch. What's more, it features a Power ECO button which extends its battery life at a touch. Now you can enjoy a full PC experience without compromising on weight.

No Strings Attached
The Fujitsu DVD sharing application allows the ease of sharing your optical disk drive with other PCs via a wireless connection. You can simply use the optical drive from your primary PC or notebook with the P3110/P3010, giving you the option of truly travelling light.

More Behind the Beauty
Communicate on-the-go with the built-in 1.3 Mega Pixel camera with dual built-in stereo speakers, and Bluetooth® v2.1 for fuss-free file transfers. You can also view photos and video clips on the 11.6-inch SuperFine back-light LED that promises you a plush and stunning display of graphics.

Optional Accessories

Portable Speakers
With its compact design and specially designed pouch, bring the Fujitsu Portable Speakers anywhere for ultimate music pleasure.

External DVD
The External DVD is ideal for those of you who require to read and record data occasionally.

Battery Pack
Double the operating hours of your LifeBook by swapping with a second battery pack.

Wireless Mouse
Ergonomic design for comfortable and convenient usage.

Windows®. Life without Walls™. Fujitsu recommends Windows 7.

LifeBook P3110/ P3010

- Sleek & Stylish design with a full-size keyboard in 3 desirable colours* - Ruby Red, Glossy Black & Glossy Silver
- Ultra light mobile companion at approximately 1.6kg for full PC Experience
- Ultimate convenience in sharing of optical disc drive with other PCs through Fujitsu DVD Sharing application
- Achieve extended battery life for mobile computing through the Power ECO Button
- Health and Environment friendliness with RoHS compliance⁴

* Availability of colours varies from country to country.

	LifeBook P3110	LifeBook P3010
Specifications		
Platform	Intel® Pentium® processor SU4100 (1.30GHz, 800MHz, 2MB L2 Cache) - Intel® GS45 Express Chipset	AMD Athlon™ Neo processor MV-40 (1.6GHz, 512KB L2 cache) - AMD RS780MN +SB710 Express Chipset
Operating System	Genuine Windows® 7 Home Premium (or Genuine Windows® 7 Home Basic)	
Display ¹²	11.6-inch SuperFine WXGA Back-Light LED, 1366x768 pixels	
Memory	2GB DDR2 800MHz Max. Memory Supported ⁹ - 4GB DDR2 800MHz, Dual Channel	
Hard Disk	320GB	
Battery	Up to 6.7 hrs ¹ (6cell Li-ion 5200mAh)	Up to 3.47 hrs ¹ (6cell Li-ion 5200mAh)
Weight	Approx. 1.6kg	
Detailed Specifications		
Hard Disk Drive	SATA-150 5400rpm, S.M.A.R.T support, Two Partitions - 50/50 ⁶	
Graphics	Integrated Intel® Graphics Media Accelerator 4500MHD with Intel® Clear Video Technology ² and display capabilities at a maximum shared memory ⁶ of 256MB	Integrated ATI Radeon™ HD3200 graphics with display capabilities at a maximum shared memory ⁶ of 256MB
High Definition (HD) Audio	RealTek ALC269 HD audio codec with Dual Built-in Stereo Speakers HD Audio-in: External Mic-in, Built-in Microphone HD Audio-out: Headphone-out	
Communication	1.3 Mega Pixels camera, Bluetooth® v2.1+EDR, 100/10Mbps ³ Fast Ethernet LAN and Atheros XSPAN™ ¹⁰ 802.11BGN network connection. Separate ON/OFF switch for wireless network connection	
User Interface	Full-size & Spill-resistant keyboard ⁷ : 84-key, 19.05mm key pitch, 1.8mm key stroke Intelligent Touch Pad with configurable vertical scroll functions, rotation, zoom in/out and left and right mouse button.	
Card Slots	Secured Digital / SDHC / Memory Stick® /Memory Stick® PRO	
Connector Interface	USB 2.0 x 3, VGA (external display), RJ45 (LAN), HDA-in, HDA-out, Power Adapter DC-in	
Quick Launch Shortcut Key	Power-saving ECO button (Fn + F11)	
Dimensions	285mm (W) x 209mm (D) x 26.4/30.2mm (H)	
Bundled Accessories		
AC Adapter	Input AC 100~240V, Output DC 19V 60W	
Bundled Software	Adobe Acrobat Reader, Fujitsu DVD Sharing Application, Fujitsu UpdateNavi™ ¹⁰ , Fujitsu Power Saving Utility, Fujitsu Hardware Diagnostic Tool, Fujitsu Display Manager, Sun Microsystems Java Runtime, Cyberlink YouCam, Windows Live Essentials (Mail, Photo Gallery, Writer, Messenger), Microsoft Office Professional 2007 60-day Convertible Trial ¹¹	
Optional Accessories		
External Drive	External USB Super Multi Writer	
Speaker	Portable Stereo Speaker	
Mouse	Optical Wireless Mouse	

The above information shows the general technical specifications of the product and does not represent actual configuration. For specific configurations and their availability, please check with your local distributors.

Disclaimers:

1. Results obtained from BAPCo®/MobileMark®2007(Productivity Workload) performed on systems with maximum battery life settings under laboratory testing environment. Actual battery life will vary based on screen brightness, sound volume settings, running applications, connected peripherals, power management settings, battery conditioning, and other customer preferences in the real life situation. External ODD drive or hard drive usage may also have a significant impact on battery life. Note: Up to 6.7hrs battery life is based on Intel® Pentium® 2 processor SU4100 and up to 3.47hrs battery life is based on AMD Athlon™ Neo processor MV-40.
2. This term does not represent actual data rate of 1000/100/10Mbps and simply indicates compliance with IEEE 802.3, IEEE 802.3u and IEEE 802.3ab standards. Actual maximum data rate depends on network configurations, cable conditions as well as connected devices.
3. Atheros® and the Atheros® logo are registered trademarks of Atheros® Communications, Inc. Signal Sustain Technology (SST), XSPAN™ and XSPAN™ logo are trademarks of Atheros® Communications, Inc. Atheros XSPAN™ 802.11ABGN deliver up to 300Mbps raw data rate with typical end user throughput between 150Mbps to 180Mbps in a wireless network environment where wirelessly connected equipment are using the Atheros XSPAN™-enabled technology products. SST (Signal-Sustain Technology) is the technology developed to more effectively sustain the 802.11n radio signals, and connections, resulting in very high connection reliability and greater coverage area.
4. RoHS (Restriction on Hazardous Substances) compliance means the system and its internal components comply with the EU RoHS directive (2002/95/EC) on the restricted use of six hazardous substances in the manufacture of the system and its internal components.
5. Intel® Clear Video Technology is a combination of video processing hardware and software technologies that delivers enhanced high-definition video playback, sharper images, precise color control and advanced support for a wide range of digital displays interfaces, including High-Definition Multimedia Interface (HDMI).
6. Maximum shared memory depends on system memory capacity and system configuration. 256MB refer to 2GB system memory capacity.
7. Spill-resistant keyboard does not imply the system is water-proof. If liquid is spilt onto the keyboard, power off the system immediately and turn the notebook upside down to drain off the liquid.
8. This refers to Windows® 7 hard disk drives C:\ and D:\. 50/50 refer to approximate 50% allocation of user accessible hard disk storage to C:\ and D:\ drives. For Windows® 7 hard disk drives, 13GB will be reserved for internal recovery usage which is not shown.
9. 4GB DDR2 800MHz maximum memory is supported when Fujitsu recommended 2GB DDR2 800MHz memory module is made available.
10. UpdateNavi is a Fujitsu Proprietary application that updates LifeBook drivers by connecting automatically to Fujitsu's server. This will help update your LifeBook with the latest software drivers and utilities to ensure compatibility between hardware and software, maintaining smooth operation anytime, anywhere.
11. Microsoft Office Professional 2007 60-day Convertible Trial needs online activation to begin. 60-day starts from day of activation.
12. It is natural for all thin-film transistor (TFT) liquid crystal displays (LCD) to show a small number of missing or discolored dots. These are commonly known as non-conforming pixels. This is a technology limitation of TFT LCD and does not represent a defect. Fujitsu warranty does not cover limitations in technology such as non-conforming pixels.

"PCI Express" and the PCI Express design marks are registered trademarks and/or service marks of PCI-SIG.

Dolby and the double-D symbol are registered trademarks of Dolby Laboratories.

Specifications reflected above are engineering and hardware specifications. They do not represent actual usage or operating dimensions, sizes, performances and weights as these are dependent on factors such as operating temperature, type of operating system and application used, connected devices and accessories as well as hardware configurations of the notebook. Please check the compatibility of 3rd party accessories before purchase. Ambient temperature: 5° to 35°C / 41 to 95°F (operating), -15° to 60°C / 5 to 140°F (non-operating). Relative humidity: 20% to 85% RH (operating), 8% to 85% RH (non-operating). Please note that GB = billion bytes. 1GB is equivalent to 1,073,741,824 bytes.
