Port Replicator
Unique wedge design provides easy, one-step connection and removal of your LifeBook. When connected, it links all your peripherals to your LifeBook.

Weight Saver
Reduces the weight of your LifeBook whenever the optical drive is not required.

Dual Layer DVD Super Multi Writer
Dual-layer DVD-R technology lets you record almost twice the amount of data on a single disc surface. Compatible with CD-R, CD-RW, DVD-R, DVD-RW and DVD-RAM.

Modular Bay Battery
Searching for power sources when you're outdoors can be a hassle. Extend the operating hours of your LifeBook with a modular battery pack.

AC Adapter
An additional adapter at home, office and in the briefcase makes traveling a lot simpler.

Battery
Double the operating hours of your LifeBook with a second battery pack.

Optical USB Black Mouse (Retractable)
Optical tracking technology offers convenient usage.
