Excellence
LifeBook E8410

The “Wow” starts now

Experience the power of Windows Vista™ with new features that help you coordinate schedules, share documents and join in web sessions easily, to help you work more effectively and efficiently. Stay from a more secure environment, with greater power to quickly locate anything, and the most responsive and reliable performance ever to bring out the fun whenever you are.

From basic computing to advanced multimedia functions, there is a right version of Windows Vista™ suitable for your needs. Create great-looking documents at home or school that you can be proud of. Save time and stay organized in your business as Windows Vista™ helps you find the information you need with greater ease. Accomplish more with the spectacular Windows Aero™, including new visual effects like translucent menus and innovative navigational tools that enable easier access to specific programs.
