FUJITSU

FUJITSU Network
Video Streaming Software

Video Streaming Software (VSS) is PC based application for simple management and operation of video contents gathering from IP-9x0E (Encoder) located at remote site. High quality video contents can be transfer via even narrow band network from remote site to headquarter.

Features

Control IP-9x0E for Remote Recording & Downloading

Centralized remote control IP-9x0E for recording high quality video contents into CF card optionally equipped into IP-9x0E. Also, remote control IP-9x0E for downloading video contents from CF card to PC
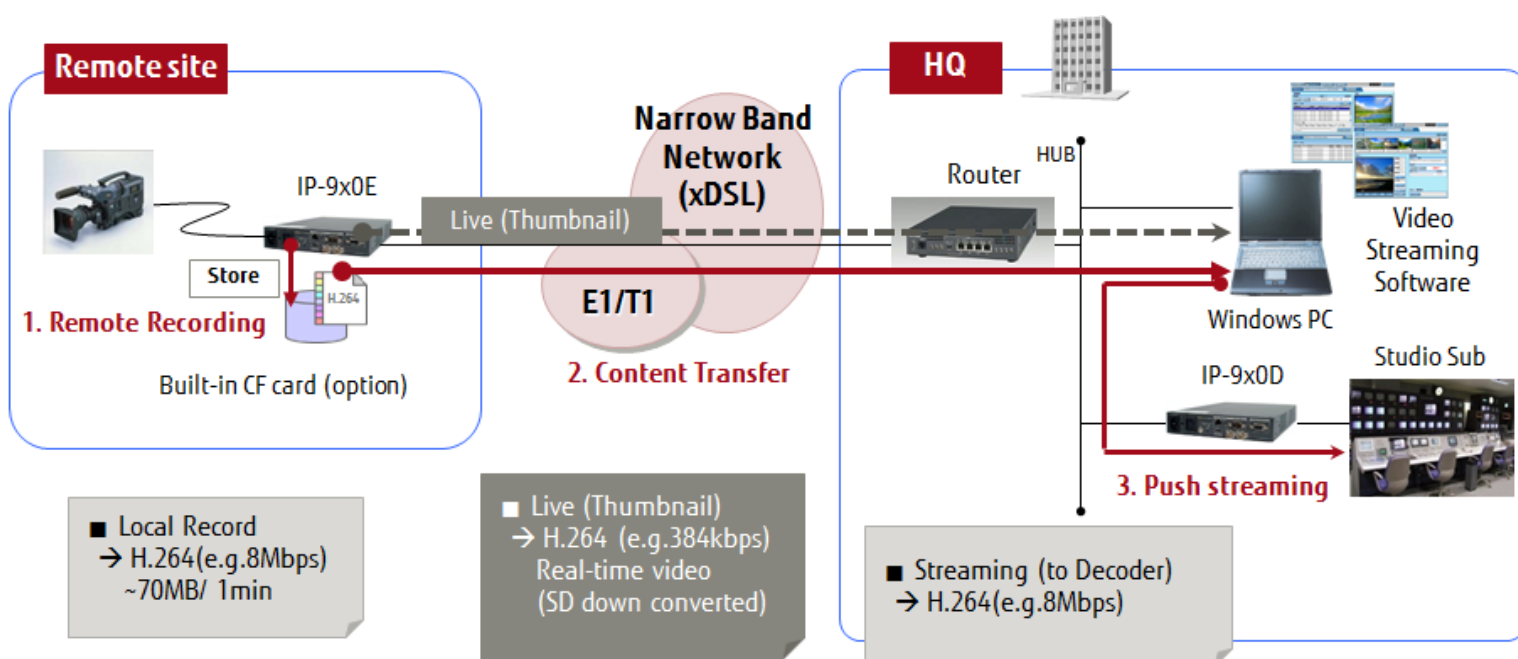

Preview and Push-typed Streaming to Decoder

Downloaded high quality video contents from IP-9x0E can be listed as thumbnail and can be previewed with selecting scene for playing out. Push-typed streaming that is selected from the contents can be played out to decoder for broadcasting.

### Non Real-time High Quality Video Transfer via Narrow Band Network

Non real-time transfer application , VSS can transfer high quality video contents from IP-9x0E at remote site to broadcast center via narrow band net work such as xDSL , E1/T1.

Video Switcher with User Friendly Interface

Live streaming from 4 x IP-9x0E can be switched to 2 x IP-9x0D (Decoder) with simple operation. Just drag & drop the thumbnail for video switching. Max 20 x IP-9x0E and 20 x IP-9x0D can be registered.

◆ Video Switcher with User Friendly Interface

Operating Platform

Hardware (PC)	Fujitsu ESPRIMO or LIFEBOOK Series (Recommended)
OS	Microsoft (R) Windows 7 Professional SP1 (32/64 bit)
CPU	Intel Core2 Duo 2.66GHz or higher
RAM	2GB or more
Required Software	Microsoft Windows Media Player 12 Microsoft DirectX 11 Web browser*1 (for encoder/decoder setup)

*1 Internet Explorer 11, Firefox 35, Safari 5, Chrome 40

Supported Codec

Codec	Software Version
IP-900E	V01L053 or later
IP-920E	V01L053 or later
IP-900D/900IID	V01L053 or later
IP-920D	V01L053 or later

● The specifications are subject to change without notice.

Certified CF Card

Supplier	Fujitsu
Capacity	16GB

License

One license per PC
