

# The FUJITSU Way

Introduced in 2002, *The FUJITSU Way* is the core set of principles guiding the corporate and individual actions of the Fujitsu Group and our continuing development as good global corporate citizens. A common understanding of Fujitsu's mission, values and code of conduct serves as the standard governing individual employees' business activities, as well as the driving force behind our socially responsible business strategy and the inspiration for related company-wide activities, business policies and plans.
