

THE FUJITSU WAY

Since our founding in 1935, we at Fujitsu have continuously adapted to ever-changing business and social environments and, in tandem with this, have passed along the unbroken chain of our DNA inheritance. The Fujitsu Way is the guiding light of our organization's management and the actions of each and every one of our 160,000 employees.

Based on this immutable principle, we place the utmost importance on relationships of trust with our customers and think and act from their point of view. We pledge to contribute to the creation of a better society by continually embracing the challenge of innovation.
