

# SUSTAINABILITY MANAGEMENT

New value is being created at an unprecedented pace due to the advance of digital technologies. On the other hand, we live in an uncertain age in which traditional approaches and frameworks are no longer valid and unexpected risks occur. Against this backdrop of radical change, the Fujitsu Group is listening to the voices of more of its stakeholders and reflecting their expectations and demands in its efforts to transform its business in order to improve its sustainability as a company and continue to generate innovation. This section introduces an overview of our initiatives in this area.
