Editorial Policy

With a focus on future plans, the Fujitsu Group Environmental Report 2015 offers a report on our recognition of environmental initiatives, our approach to initiatives, and our performance and major activities in FY 2014, in line with the Fujitsu Group Environmental Action Plan (Stage VII, FY 2013–FY2015) that was formulated on the basis of expectations and requests from society and of important environmental aspects of the Fujitsu Group. Fujitsu Group strives to improve the reliability and transparency of the content of reports, through means including subjecting major data to examination by third-party organizations and publishing third-part opinions concerning indicators. In addition, we have taken ease of reading on PCs and tablets into account through a horizontally oriented page layout.

■ Reporting Period

This report focuses on activities in FY 2014, from April 1, 2014 to March 31, 2015, and the data presented is actual performance data from that period. Content from times outside that period, however, is also presented.

■ Target Readership

This report is written assuming the following readership: All Fujitsu stakeholders, with high interest in environmental topics, including customers, employees, stockholders and investors, suppliers and business partners, international society and local communities, public institutions, and governments and specialists such as CSR survey institutions.

■ Organizations Covered

The coverage is of Fujitsu itself plus a total of 116 companies (including companies outside Japan) centering on consolidated subsidiaries that have built environmental management systems.

- » [Environmental Performance Data Calculation Standards \(See Page 57\)](#)

■ Significant Changes in Coverage

• In December 2014, Fujitsu Semiconductor Technology Limited (FSET) and the Mie Plant and Aizu Plant of Fujitsu Semiconductor Limited (FSL) were removed from the scope of reporting on environmental burden data, which was changed to four companies: Mie Fujitsu Semiconductor Limited (MIFS), Aizu Fujitsu Semiconductor Limited (AFSL), Aizu Fujitsu Semiconductor Wafer Solution Limited (AFSW), and Aizu Fujitsu Semiconductor Manufacturing Limited (AFSM). In addition, environmental accounting data for FSL and FSET is presented as data for MIFS, AFSW, and AFSM from December 2014.

• From April 2014, the environmental impact, logistics, and environmental accounting data of Fujitsu

Mobile-phone Products Limited has been aggregated into FUJITSU PERIPHERALS LIMITED.

• The environmental impact data and environmental accounting data of Fujitsu VLSI Limited have been excluded from reporting from February 2014 and from April 2014, respectively.
