##### 1. Compliance with Quarterly Review Procedures

These materials fall outside the jurisdiction of the quarterly review procedures of the Financial Instruments and Exchange Act. Therefore, at the time of disclosure, a portion of the review has not yet been completed.

Upon completion of the review, a statutory quarterly report will be submitted on February 13, 2015.

##### 2. Precautions on Usage of Earnings Projections

From the first quarter of fiscal 2014, the Fujitsu Group has adopted International Financial Reporting Standards (IFRS). In addition, consolidated financial statements for the previous fiscal year's first nine months, third quarter and for the full 2013 fiscal year are presented in accordance with IFRS.

These materials may contain forward-looking statements that are based on management's current information, views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. Actual results may differ materially from those projected or implied in the forward-looking statements due to, without limitation, the following factors listed below. For information regarding the assumptions used to prepare these projections, please refer to "Part I: Financial Results, 3. FY2014 Earnings Projections" on page 18.

- General economic and market conditions in key markets  
(Particularly in Japan, Europe, North America, and Asia, including China)
- Rapid changes in the high-technology market (particularly semiconductors, PCs, etc.)
- Fluctuations in exchange rates or interest rates
- Fluctuations in capital markets
- Intensifying price competition
- Changes in market positioning due to competition in R&D
- Changes in the environment for the procurement of parts and components
- Changes in competitive relationships relating to collaborations, alliances and technical provisions
- Risks related to public regulations, public policy and tax matters
- Risks related to product or services defects
- Potential emergence of unprofitable projects
- Risks related to R&D investments, capital expenditures, business acquisitions, business restructuring, etc.
- Risks related to natural disasters and unforeseen events
- Changes in accounting policies
