

# Data Sheet

## Fujitsu Live! 360 Camera NX600

### Camera Series

### Accessories

#### Live! 360 Camera NX600

#### Live Streaming\* for YouTube and Facebook Live 360

- Live! 360 camera allows you to share 360 videos and pictures directly to social media platforms, even broadcast 360 live sessions right from the camera, without manual intervention, no computer and phone required.

#### 360° dual lens camera

- The dual wide angle lenses bring you impressive 360° experience. It can also be used as a standalone full function 360 camera.

#### Real-time video stitching

- No additional processes needed to be done, just share anytime, anywhere.

#### Compatible with iOS and Android

- Fujitsu NX500 supports both iOS and Android platforms for preview and camera setup.
