Harnessing the genius of digital

Genius² = SAP® S/4HANA + SAP® LEONARDO:
Now, you can achieve more with SAP®.

SAP® LEONARDO:
Adding genius technologies to any organization’s core activities, like AI & IoT.

Unlocking the full potential of...
SAP® S/4HANA
...so you can be well-run, and creative at the same time!

$2.2bn by 2020!
It’s the next wave of genius applications and business opportunities.

Cloud Genius:
Fujitsu and SAP offer as much 'head' as you need. Do it your own way – as much as you want to.

REAL-TIME control and analysis includes a framework for harnessing emerging technologies...
...so you can THINK & ACT better – faster.

SAP® S/4HANA & SAP® LEONARDO should be at the heart of your digital transformation.
