

Environmental Action Plan / Results

In "Environmental Action Plan Stage XI", we have established 7 targets including new ones relevant to circular economy as well as plastic waste, and are now taking actions. In FY2023 which is the 1st year, we could meet all the annual KPIs.

Environmental Action Plan Stage XI (FY2023 – 2025)

CATs	Targets	Scope*1	FY2023			FY2024	FY2025
			KPIs	Results	Judge	KPIs	
Climate	To reduce GHG emissions • Reduce greenhouse gas emissions in our business facilities to 30% or more compared to FY2020 by the end of FY2025	HQs / Tokyo Plant Niigata Plant Kumagaya SSC	Under 5,244 tons-CO ₂ (-10% or more)	4,525 tons-CO ₂ (-22%)	Met	Under 4,662 tons-CO ₂ (-20% or more)	Under 4,079 tons-CO ₂ (-30% or more)
	To increase the adoption of renewable energy • Increase renewable energy use to 37.2% of total electricity by the end of FY2025	HQs / Tokyo Plant Niigata Plant Kumagaya SSC FDTP FFNA	12%	13% (29%)*2	Met	24.6%	37.2%
	To reduce CO₂ emissions derived from product use • Reduce CO ₂ emissions derived from product use to 12.5% or more compared to conventional models by the end of FY2025	HQs / Tokyo Plant	Selection of applicable product	Selected	Met	12.5% or more	12.5% or more
Resource Circulation	To develop products and services conducive to circular economy business models • Develop products and services aimed to improve resource efficiency and resource circulation	HQs / Tokyo Plant Kumagaya SSC	Selection of applicable activities	Selected	Met	Development of products and services aimed to improve resource efficiency and resource circulation*3	
	To reduce plastic waste generations • Reduce the amount of plastic waste to 19% or more compared to FY2019 by the end of FY2025	HQs / Tokyo Plant Niigata Plant Kumagaya SSC	Under 77,000kg (-1% or more)	63,462kg (-18%)	Met	Under 63,000kg (-19% or more)	Under 63,000kg (-19% or more)
SDGs	To develop and deliver SDGs Contribution Solutions • Develop no less than 15 SDGs Contribution Solutions in total by the end of FY2025	HQs / Tokyo Plant Kumagaya SSC Omiya SC / FJFS Other SE sites	No less than 5 solutions	9 solutions	Met	No less than 10 solutions in total	No less than 15 solutions in total
	Social activities as good corporate citizenship • Promote broad social activities	HQs / Tokyo Plant Niigata Plant Kumagaya SSC Omiya SC / FJFS	No less than 40 cases	90 cases	Met	No less than 60 cases	No less than 60 cases

*1: "Kumagaya SSC" stands for Kumagaya Service Solution Center, "Omiya SC" stands for Omiya Solution Center, "FJFS" stands for Fujitsu Frontech Systems Limited, "FDTP" stands for Fujitsu Die-Tech Corporation of the Philippines and "FFNA" stands for Fujitsu Frontech North America Inc.

*2: The percentage is a result reflecting renewable energy (RE) only in Japan. The percentage inside () is a result including RE outside Japan.

*3: We will strive to develop products and services aimed to improve resource efficiency and resource circulation, without setting a uniform KPI. After this target term is over, we will evaluate the concrete outcomes.
