

Contribution to Achievement of SDGs

Through our products, solutions and services connecting people to ICT with cutting-edge technologies, we make contributions to SDGs.

Actions on SDGs in Fujitsu Frontech Group

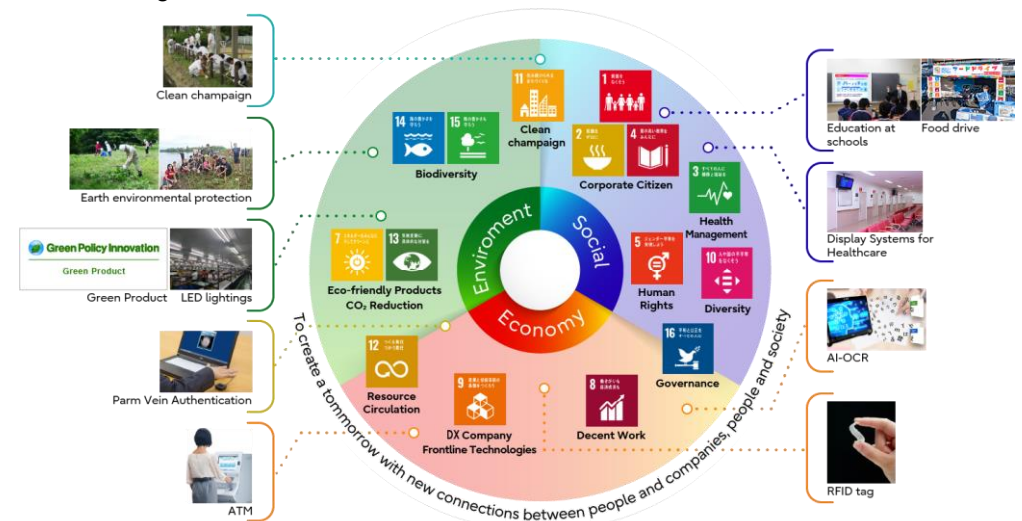

Contribution to the achievement of SDGs in a forward-looking manner is the social responsibility of all companies, because they will not be able to run own businesses continuously unless Environment, Social and Economy are kept sustainable. We have been taking broad actions on SDGs to resolve not only environmental issues such as climate change but social and economic ones, since we noticed the importance of SDGs at an early stage. The following is introduction of our actions on SDGs.
