

Social Activities

We, Fujitsu Frontech Group, promote a variety of social activities, including mainly the environmental protection, as "Corporate Citizenship".

Headquarters / Tokyo Plant and LIFE CREATE LIMITED (LC)

Cleaning Campaign

The Headquarters / Tokyo Plant, has implemented this Cleaning Campaign since FY2007.

During FY2018, totally 83 employees participated in it, including June, Environmental Month.

Environmental Month

TOTALIZATOR ENGINEERING LIMITED (TEL)

Clean-up with customer

As a social activity, TEL, its customers, concerned parties and employees clean up around the Boat Pier Narashino (the off-site ticket office) hand in hand.

Pick-up of trash

Niigata Plant

Flower planting volunteer

Since FY2013, we have volunteered planting flowers in the flower beds near Yoshida Kasuga-cho intersection in Tsubame-shi.

Every year, about 10 employees volunteer weeding and picking flowers monthly from April to September.

Flower planting

Kumagaya Service Solution Center (Kumagaya SSC)

Clean-up around site

On June 6, 2018, the employees in Kumagaya SSC cleaned up their commuting route around the site and the parking area.

As a result, totally 8kg of trash such as empty pet bottles and cans could be picked up by them.

Pick-up of trash

FUJITSU FORNTECH SYSTEMS LIMITED (FJFS)

Forest conservation

FJFS implements the forest conservation activities twice a year from FY2008, when they concluded the Agreement of Activities for Forest Conservation, etc. with both Gunma Prefecture and Maebashi-shi.

In FY2018, 48 employees on 6/23 and 34 employees on 11/17 took part in them.
