Recommended Accessories

Cradle

Get better efficiency, flexibility and expandability with the STYLISTIC cradle. The cradle is the perfect docking solution for your STYLISTIC device, whether in the office or at home, it takes just a second to attach your device to the cradle and get connected to peripherals such as an external display, keyboard and mouse. Your workplace is simple and tidy while you are ready to work with your Fujitsu device.

Backlit Keyboard docking

Enjoy the benefits of a physical back-lit keyboard dock connection which is more reliable and hassle free. With the attached keyboard dock you get the ability to prop the tablet up and fold it over the tablet's screen to protect it, especially when you are mobile.

USB Type-C™ Port Replicator

Flexibility, expandability, desktop replacement, investment protection
3x USB 3.1 Gen 1, DisplayPort, VGA, HDMI, RJ-45

AC Adapter LIFEBOOK

Power your notebook at work, at home or on the road with a second power source. You can easily recharge your notebook everywhere. Depending on your notebook you can choose from various AC Adapters ranging from a stick type adapter to standard adapters, or even the innovative ECO AC Adapter.

TPU Cover

The protective bumper case kit is designed to prevent damages to your STYLISTIC Q739. Openings of the cover allow you to access all ports and buttons while the hand strap on the back of the case gives you a firm grip while working with your tablet outside the office.

Specification disclaimers

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. ² GB = 1 billion bytes. TB = 1 trillion bytes, when referring to hard disk drive capacity. Accessible capacity may vary, also depending on used software. Up to 20 GB of HDD space is reserved for system recovery. ³ Shared memory depending on main memory size and operating system. ⁴ WWAN module is optional and requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. ⁵ Battery runtime information is based on worldwide acknowledged BAPCo® MobileMark® 2014 (office productivity). Refer to www.bapco.com for additional details. The BAPCo® MobileMark® Benchmark provides results that enable direct product comparisons between manufacturers. It does not guarantee any specific battery runtime which actually can be lower and may vary depending on product model, configuration, application and power management settings. The battery capacity decreases slightly with every re-charge and over its lifetime.
