

Fujitsu Recognized by ServiceNow at Global Partner Ecosystem Summit

[Oslo, Norway — May 13, 2019 —] Fujitsu has been recognized as the 2019 ServiceNow **Global IT Workflow Partner of the Year** for demonstrating overall excellence in expanding breadth and depth of IT transformational Cloud Practice size.

The ServiceNow Global Alliances and Channel Ecosystem recognizes the achievements and contributions of its best in class partners who have successfully grown their ServiceNow business through transformation or innovation in business, technology and customer success. This year's awards were based on partner performance in 2018 – a combination of revenue contribution, product line expansion, workflow and skill growth, and business innovation or transformation.

This award was presented at the Global Partner Ecosystem Summit that took place as part of Knowledge 2019, where extraordinary people come together to take work to the next level.

Fujitsu is a world-leader in Enterprise Service Management (ESM). As a ServiceNow Gold Sales and Services Partner, Fujitsu combine years of experience and know-how with the power of ServiceNow, to deliver ESM processes that improve efficiency, reduce cost and free customer's staff to concentrate on what they do best – which is running business. Fujitsu's range of solutions is highly flexible and easily scalable, and regardless of business size, or whether an off the shelf solution or something that's individually created for business is required, Fujitsu can provide you with the configuration needed.

"I am delighted to be honored with this award from ServiceNow. This is a result of years of hard work, cooperation and great effort by our Global ServiceNow team in Fujitsu. We are thrilled to be a part of the ServiceNow success in the market and we are looking forward to another exciting year", says Bjørn Jarl, Head of the ServiceNow Practice in Fujitsu EMEA.
