

FEEU ClickBeetle[®] - Reference Platform: SensorBeetle I Lite

SensorBeetle I Lite is part of the ClickBeetle Reference Platform and adds a sensing features with humidity/temperature sensor to the application. SensorBeetle I Lite contains a HDK sensor.

HDK HSU-CHM-01A I2C Sensor:

- Small size, low profile package
dimension 2.0×2.0×0.75 mm
- Low voltage (1.17 – 5.5V)
- High sensitivity
- Low current consumption
- Anti-dew condensation, Water-proof
