

# Biography Jeff Cathey

Cloud Solutions Architect  
Fujitsu Global Software Center

Jeff is a Cloud Solutions Architect in the Fujitsu Global Software Center helping customers to successfully deploy cloud solutions in their enterprise.

Jeff has been with Fujitsu for 27 years. Prior to working in the cloud space, he worked as a kernel developer working in a wide variety of

areas including server clustering and as a performance analyst benchmarking customer solutions.

His home is in Arizona and spends as much time as possible in the Outdoors with his family.
