

Executive bio

Neil Jarvis

Chief Information Officer Of Fujitsu Americas

Neil Jarvis is Chief Information Officer (CIO) for Fujitsu Americas. He is directly responsible for the entire IT organization, including all technology and services in support of business operations for Fujitsu America.

Mr. Jarvis is focused on delivering a robust technology strategy and environment that fully supports and enables the business needs of the corporation and continuing to cultivate the One Fujitsu team dynamic, forging a more integrated organization with a common vision.

Mr. Jarvis brings to Fujitsu, his deep expertise gained through his experience as CIO, COO and other executive business positions managing multi-million dollar budgets and hundreds of globally dispersed personnel. With an impressive history at places like Xerox, Pegasus Logistics Group, AAA, CNA and EDS, he has a proven track record of identifying and resolving complex challenges within organizations to deliver improved business, technology and organizational capabilities. Furthermore, he is a strong contributor to the CIO community and has a passion for developing and coaching people.

As for other accomplishments, Mr. Jarvis was named Arizona Large Company CIO of the Year twice, once in 2009 and again in 2010.

He was also invited to participate on the 2001 U.S. Government High Speed Compute Conference Board and was personally recognized for outstanding leadership by United States Navy and Marine Corps leaders. He was voted number one Speaker at two Pan-European Conferences and also sat on a Global IT advisory Board within the Insurance Industry. Mr. Jarvis lives in Frisco, Texas.
