

Fast and reliable scanning with outstanding image quality for the production environment.

# fi-4990C

## Production Color Document Scanner

Blazing speed, superior paper-handling and advanced image processing add up to greater productivity.

- ▶ Up to 90 pages per minute (ppm) / 180 images per minute (ipm) with onboard JPEG color compression
- ▶ Standard color dropout feature simplifies forms processing
- ▶ Grayscale crop, de-skew and image rotation
- ▶ Includes Adobe® Acrobat® Standard, ScanRight™ image processing technology and ScandAll 21 Scanner Utility
- ▶ Enhance productivity with Fujitsu service and support

**FUJITSU**

THE POSSIBILITIES ARE INFINITE

# fi-4990C

## Production Color Document Scanner

When image quality is as important as throughput, count on the fi-4990C.

The Fujitsu fi-4990C Production Color Document Scanner satisfies the performance and reliability requirements of high-volume color, monochrome, and grayscale scanning with a long list of powerful features. Its maximum optical resolution of 400 dpi, automatic red, green and blue color dropout, ScanRight™ image processing technology and high scan rates (up to 90 ppm/180 ipm), are ideal for forms-processing, centralized enterprise and service bureau applications. A revolutionary, 1000-page automatic document feeder (ADF) and paper path design allow you to reliably scan documents of different sizes and weights. And five paper-thickness settings further improve paper-handling in production environments.

ScanRight™ image processing technology improves image quality for specific document types. Combined with automatic crop, de-skew and image rotation, the fi-4990C scanner helps your scanned documents look their best. It can also be configured to drop out different colors on the front and back with just one setting — no lamp changes required — for easier forms processing.

### On-site service helps maximize uptime

The fi-4990C scanner includes a 90-day, on-site, Limited Warranty. For full details on the Limited Warranty and on all service programs, go to [www.ImagingService.com](http://www.ImagingService.com) or call (800) 301-9475.

### About Fujitsu Computer Products of America, Inc.

Fujitsu Computer Products of America, Inc. is a subsidiary of Fujitsu Limited, a leading provider of customer-focused IT and communications solutions for the global marketplace. FCPA provides innovative solutions for the U.S. marketplace. Current product and service offerings include: high performance hard disk drives, magneto-optical drives, scanners and scanner maintenance.

### Technical Specifications

Functional Specifications	
Technology	Color CCD (charge-coupled device) image sensor
Output Resolution (dpi)	100, 150, 200, 240, 300, 400 <sup>1</sup> (user selectable)
Optical Resolution (dpi)	400
Halftone patterns	Dither, error diffusion
Scanning Speeds Letter/Portrait	Simplex Duplex
Monochrome 200 dpi	90 pages per minute 180 images per minute
Color 200 dpi	90 pages per minute <sup>2</sup> 180 images per minute <sup>2</sup>
Document feeding mode	Automatic document feeder (ADF)
ADF capacity	1,000 sheets (selectable 250, 500)
Document size	Minimum A7 (2.875 in. x 4.125 in.) Maximum A3 (11.7 in. x 16.5 in.)
Interface	Ultra Wide SCSI & Expansion Slot
Image type output	Binary; halftone; grayscale; color
Physical Specifications	
Power requirements (auto-switching)	100-240 VAC, 50/60 Hz
Operating environment	Temperature 59°F – 95°F (15°C – 35°C) Relative humidity 20% – 80% (non-condensing)
Power consumption	250 VA or less
Dimensions (H x W x D)	23.1 in. x 27.1 in. x 21.2 in.
Weight	143 lbs.
Reliability Specifications	
Limited Warranty	3-month on-site service
Optional Service Programs	<b>In-Warranty Upgrades and Post Warranty (Plus)</b> <b>On-site:</b> ScanCare® (Preventative maintenance + Basic) Basic (Includes parts, labor and travel) <b>Response Time Options:</b> 4-hour or Next Business Day <b>Consumables:</b> ScanAid™ Kits
<small>Terms and conditions apply. A service contract must be executed to purchase all service programs noted in this document.</small>	
Software driver support	ISIS® and TWAIN driver included (Win 98/2000/Me/XP), Kofax Adrenaline®
Standard Monochrome Image Processing Features	Automatic crop and de-skew, image rotation, background removal, text enhancement, image emphasis, noise removal, and automatic separation
Bundled Software	Adobe Acrobat Standard, IPC, ScanRight and ScandAll 21
Options	Post scan back side endorser, VRS
Part Number	CG01000-491901

<sup>1</sup> Color output up to 400 dpi, letter, duplex

<sup>2</sup> Required Pentium® III 1Ghz PC Computer with 512MB memory or above for optimum color throughput.
